

# LET'S MEET

**DANIELA KUNEJ**  
**WMC ALUMNA, 2018**

**1. Who should everyone be following right now on social media?**

It's not exactly a „who“ but my favorite is @humansofny

**2. What's the weirdest word in the English language?**

Discombobulated, I can't help but laugh every time I hear it.

**3. Favorite sound?**

Movie introductions (Walt Disney Pictures, Warner Bros., Universal Pictures).

**4. What was your first job or co-op?**

Excluding student work like tutoring, my first job actually is the same as my second co-op! I got a job as a Junior Software Developer at Ericsson Nikola Tesla where I did my first co-op and worked my entire Senior year.

**5. If you could relive one day at RIT Croatia, which day would you choose to relive?**

There was one day when we had a really long break, and we needed to study for finals but were so exhausted we just found an empty classroom and played „Friends“ on the projector and just chilled. A great way to de-stress during finals.

**6. What made you choose RIT Croatia?**

Being from America, getting an American degree seemed like a great way to make sure all of the doors I may need or want in the future are opened.

**7. What is the best piece of advice you've ever been given?**

I can't remember the exact quote, but the point was:

If you can do something about it – don't worry.

If you can't do anything about it – don't worry.
